

E Source can help you with a winning WaterSMART and Energy Efficiency grant application

July 18, 2022

E Source has a strong history of writing and winning <u>WaterSMART Water and Energy Efficiency Grants</u> from the US Bureau of Reclamation for many of our <u>water utility</u> clients, including:

- Tacoma Public Utilities
- City of Norman Utilities Authority
- City of Arlington, Texas
- City of Topeka, Kansas
- City of Buena Park, California

Learn how our <u>technology planning and implementation consultants</u> can help you win a WaterSMART Water and Energy Efficiency Grant and meet your advanced metering infrastructure goals.
